Sharing Access

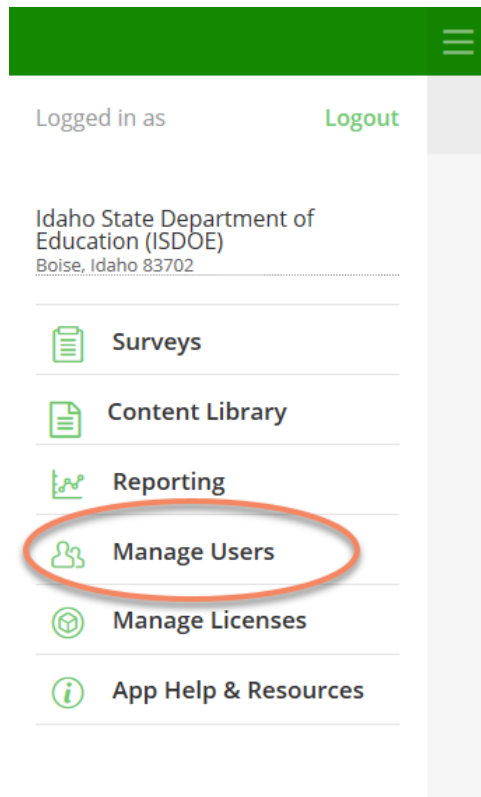

The Head of Institution may want to assign other administrators as users of eProve Surveys.

Click on the “hamburger” icon in the top left corner.

Surveys 6 surveys

Then click on “Manage Users” in the drop down.

Add users as desired, either as viewers, editors, or administrators.

Generating Reports

It's easy to generate reports from the school or district dashboards. Click on the three vertical dots at the right side of the survey name, then click "generate report". Note that Item analysis is available and reporting can be disaggregated for individual school level reports from the district platform.
